

Program 34 Grant Application 2023

Program 34 aims to receive, manage, and distribute funds to New Brunswick charities pursuing youth programming, community engagement and athletic recreation. Program 34 seeks to reduce and eliminate barriers in participation caused by poverty, distance, disability and culture.

This application is for non-profit organizations who seek funding from Program 34. Applicants must align with the mission set by Jake Allen's Program 34 organization. Applications will be vetted by Program 34's Selection Committee. Selected organizations will be contacted by a member of the committee and notified of their success. This application helps Program 34 reach ALL potential organizations in NB that wish to benefit financially through a Program 34 grant.
